

Duo: One Sheet

On stage with DUO: you will find Kevin Cooke and Glenn Tooth. The musical partnership of these two musical explorers goes back nearly 25 years, to the wild and heady days of the early 80's Toronto Music Scene, where they played and recorded in numerous projects together.

DUO: is Kevin & Glenn's latest project. DUO: harnesses advanced computer technology to expand the sound of these two performers to that of a 3, 4 or even 5 piece band.

DUO:'s extensive repertoire includes: Soft Rock, Smooth Jazz, R&B, Blues and Light Classical. DUO: can program the perfect mix for any evening, venue, private party, corporate function or wedding. It would be their pleasure to entertain you.

On vocals, guitar and bass we have Kevin Cooke. Veteran of the Canadian Indy Circuit for the past three decades, Kevin brings a wealth of talent and experience to the stage. DUO: performs several of Kevin's original compositions. An artist of the 6 string bass guitar, Kevin will surprise and delight you with the range of his performance.

On flute, you will find Glenn Tooth. Carrying on a long tradition of Canadian jazz flutists, Glenn brings his love of melody and the singing tones of the flute to each performance. Glenn adds several original tunes to the bands book.
